

Treating Women's Infertility – Interview on the Wellness Hour

by Iva Keene MRMed. ND. - Natural Fertility Specialist - Wednesday, October 10, 2012

<https://natural-fertility-prescription.com/wellness-hour-interview/>

I was recently invited to talk about treating women's infertility with Randy Alvarez, host of the Wellness Hour. The Wellness Hour is a leader in health news in the US and airs on broadcast and cable television in over 60 million homes in the US and Canada. Enjoy!
